

*You can help raise funds for
New Opportunities*

By shopping at Schnucks and other participating stores you can raise funds for New Opportunities. Just call the 1-800-931-6258 activation number on your card and give the E-Script representative the card number on the back that is located below the bar code, and New Opportunities' Group ID number. Then when you go shopping at participating stores, have the cashier swipe your e-card at check-out and New Opportunities will receive from 1% to 5% of the amount of your purchase.

It's that easy. The funds will automatically be put in New Opportunities' account.

Go to *www.escrip.com* to learn more about this program and view the entire list of participating stores.

Your participation in this program will be greatly appreciated!!
